International Security

2025 MEDIA PACK

Welcome to intersec

INTRODUCTION

intersec is the world's leading journal of international security, counter-terrorism and resilience. Published across ten issues each year, the magazine is an essential resource for policymakers, security professionals and academics around the world. Each issue contains in-depth news, features and incident reports which keep our readers up to date with the latest threats, solutions and security technology.

Our features are written by experienced journalists, security experts and senior policymakers, providing an unbeatable combination of insight, impartiality and editorial integrity. In an industry awash with narrow niche titles, intersec offers its readers a comprehensive perspective on the rapidly evolving security situation and a direct link to those who are shaping the responses.

Established in 1991, intersec has consistently been the publication of choice for professionals across the whole spectrum of international, domestic and corporate security. Our readership includes senior decision-makers from government, emergency services, security services, research organisations and private industry, as well as front-line personnel in the fight against terrorism and organised crime.

EACH ISSUE CONTAINS:

- In-depth features and commentary covering the latest threats, solutions, tactics and technologies
- Focused regional security news updates
- Comprehensive international incident brief
- New technology/services spotlight
- Planner of upcoming security events
